 I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 1st. and 20th. days of March, 1948; that it truly and correctly represents the location and extent of the works used to divert water from underground source, in Lyon County, by Amos and Ettore Mencarini, for stockwatering and domestic purposes. That the point of diversion, the approximate location and size of the diverting conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated thereon.
