

State of Nevada
County of WASHOE

I, ROBERT F GUINN, being first duly sworn, depose and say that this map, consisting of sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction between the 10th day of April and the 11th day of April, 1948; that it truly and correctly represents the location and extent of the works used to divert water from underground source, in Washoe County by H.L. GEPFORD for agricultural & domestic purposes, under application No. 12313. That the present point of diversion, the location, size and grades of the diverting device, the location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under application No. 12313 is to be used; together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.

Robert F. Guinn
State Water Right Surveyor

Subscribed and sworn to before me this 8th day of April, 1948.

Notary Public
Notary Public in and for Washoe County, Nevada.

Bearings shown are related to an astronomic bearing obtained by a series of observations on Polaris at the S.E. corner of section 18.
Note: - Present Point of Diversion only shown. Location of additional wells to be drilled as property develops dependent on land parcels. Individual, not central wells, planned.
