I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the first day and 20th day of March, 1948, that it truly and correctly represents the proposed location and extent of the works used to divert water from underground source, in Lyon County, by C. F. Chidwick, for irrigation and domestic purposes. That the point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all others which will cross or connect with the said works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

*Walter G. Reid*  
State Water Right Surveyor

Subscribed and sworn to before me this 24 day of April, 1948.

*W. J. Hensley*  
Notary Public in and for Storey County, Nevada.
