

BEARINGS BASED ON MAGNETIC OBSERVATION  
 VARIATION USED - 19° 46'

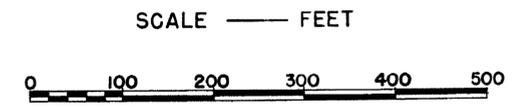

STATE OF CALIFORNIA      SS.  
 County of Modoc

I, R. W. Haselwood, being duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn from field notes of a survey made by me on June 3, 1949; that it correctly depicts the location of the proposed works used to divert water from Wagon Tire Spring, in Washoe County, Nevada, by James H. Davis for stockwatering purposes.

*R. W. Haselwood*  
 NEVADA STATE WATER RIGHT SURVEYOR

Suscribed and sworn to before me this 6<sup>th</sup> day of June, 1949.
