 I, Frank Walker, being first duly sworn, depose and say that this map, has been correctly drawn, the designated scale from field notes of a survey made by me; completed on the 13th day of August 1948, that it truly and correctly represents the location and extent of the proposed works used to divert water from Rock Spring, Rye grass Spring, Wolfhole Spring, Redrock Spring, Pine Spring and Mustang Wash Reservoir, in Lincoln County, by Byron A. Ercanbrack for stockwatering purposes. That the proposed point of diversion, the approximate location of the diversion and manner of use, the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.

Frank Walker
 State Water Right Surveyor
