 COUNTY OF WASHOE } S.S.

I, LAWRENCE G. CHAMBERS, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me in July, 1948, that it truly and correctly represents the location and extent of the proposed works used to divert water from sources tributary to Brown's Creek in Washoe County by MT. ROSE UP-SKI CORP. for domestic purposes. That the proposed points of diversion, the location, size and capacity of the diverting conduits, and the names and locations of all other works and streams which are crossed by or connected with said works, are fully and correctly designated hereon.
