

STATE OF NEVADA, } ss.
County of Esmeralda

I, William H. Hisle, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 12th and 19th days of September, 1948; that it truly and correctly represents the location and extent of the proposed works used to divert water from Bullwhacker Spring, in Nye County, by Joe, Helen, and Robert Williams for stockwatering purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.

William H. Hisle
State Water Right Surveyor.
