

STATE OF NEVADA } ss.
County of Esmeralda

I, William H. Hisle, being first duly sworn, depose and say that this map, consisting of one sheet, has been drawn correctly to the designated scale from field notes of surveys made by me on the 14th and 15th days of November, 1948; that it truly and correctly represents the extent of the proposed works used to divert water from an Underground Source (Stone Corral Well) and Malpais Tank, in Nye County, by A. F. Bordoli for stockwatering purposes. That the proposed point of diversion, the approximate location and size of the diverting conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.

William H. Hisle
State Water Right Surveyor.

Subscribed and sworn to before me
this 24th day of November, 1948.
