I, T. McNeill, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 29 day of November & the 15 day of December, 1948, that it truly and correctly represents the location and extent of the proposed works used to divert water from Mud Spring and Lone Mtn. Spring in Eureka County by Eureka Livestock Co. for stock watering purposes. That the proposed points of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streams, which are crossed by, or connected with the said works, are fully and correctly designated thereon.
