

STATE OF NEVADA ss.
County of LANDER

I, J.V. Caselli, being first duly sworn, depose and say that this map, consisting of one sheet inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me between the 20th day of Nov. and the 20th day of Nov., 1948, that it truly and correctly represents the location and extent of the proposed works used to divert water from Schmidtlein Well, in Lander County, by F.M. & L.E. Schmidtlein for stockwatering purposes. That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works, or streams which are crossed by, or connected with said works, are fully and correctly designated thereon.
