 I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 1st. and 20th. days of March, 1948; that it truly and correctly represents the proposed location and extent of the works used to divert water from underground source, in Lyon County, by Jennie E. Nesmith, for irrigation and domestic purposes. That the point of diversion, the approximate location and size of the diverting conduits and channels, all reservoirs or basins, the location and names of all other works which will cross or connect with the works, and the boundry of all lands, showing by 40-acre subdivisions the areas to be irrigated are fully and correctly designated thereon.

*Walter G. Reid*  
State Water Rights Surveyor

Subscribed and sworn to before me this 3 day of February, 1949.
