I, Robert S. Leighton, being first duly sworn, depose and say that this map, consisting of 7 sheets numbered 1 to 7, inclusive, has been correctly drawn to the designated scale from aerial photographs and surveys made under my supervision between the 1st day of Sept. and the 31st day of December, 1953; that it truly and correctly represents the location and extent of works used to divert water from the Humboldt River in Pershing County by the United States Department of the Interior, Bureau of Reclamation, in accordance with a contract with the Pershing County Water Conservation District of Nevada under Applications to change Nos. 12947 to 12956 Incl. and application for storage No. 12857. That the points of diversion, location and extent of all lands worked or controlled by applicant upon which water applied for is used, together with area and culture is fully and correctly shown thereon.

Robert S. Leighton
State Water Right Surveyor

Subscribed and sworn before me this 21st day of January, 1954.

Mary Helen Marcuse
