I, William J. Johnstone, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me June 9 to July 24, 1949, that it truly and correctly represents the location and extent of the works used to divert water from an underground source in Douglas County by Freeman E. Fairfield for irrigation and domestic purposes, that the point of diversion, the place and manner of use are fully and correctly designated hereon.
