I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from field notes of a survey made by me May 14, 1949, that it truly and correctly represents the location and extent of the works used to divert water from Lower Mud Spring, in Mineral County, by F. M. Fulstone Inc. for stockwatering purposes. That the point of diversion, the location and size of the diverting conduit, the place and manner of use, and the location and names of all other works or streams, which are crossed by, or connected with said works, are fully and correctly designated thereon.

*Walter G. Reid*  
State Water Rights Surveyor

Subscribed and sworn to before me this 22<sup>nd</sup> day of May, 1950.

*W. G. Healy*  
Notary Public in and for Storey County, Nevada.
