

CRADLEBOUGH SPRING
PROPOSED POINT OF DIVERSION

PROPOSED WORKS:
A catch basin 6 ft. deep will be dug at spring site, and allowed to fill with water.

NW 1/4 NE 1/4 SECTION 27
T22N, R55E.

STATE OF NEVADA } S.S.
COUNTY OF NYE.....

I, T.M. Cahill, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 22 day of July and the 23 day of July 1950; that it truly and correctly represents the location and extent of the proposed works used to divert water from Cradlebough Spring in White Pine County by Bonnye V. Hooper for stockwatering purposes. That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.

J. M. Cahill
STATE WATER RIGHT SURVEYOR

Subscribed and sworn to before me this 5 day of September, 1950.
