I, Robert F. Guinn, being first duly sworn, depose and say that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction between the 5th day of Aug. and the 6th. day of Aug., 1950; that it truly and correctly represents the location and extent of the works to be used to divert water from Unnamed Drain, in Washoe County by JOHN ISBELL for irrigation & domestic purposes under application No. 13466. That the proposed point of diversion, the location, size and grades of the diverting device, the location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under application No. 13466 is to be used; together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.
