I, J.V. Caselli, being first duly sworn, depose and say that this map, consisting of 1 sheet, numbered from 1 to 0 inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me between the 22 day of August, and the 26 day of August 1950, that it truly and correctly represents the location and extent of the works used to divert water from FRED'S WELL, in Nye County, by Fallini Brothers for stockwatering purposes, that the point of diversion, the location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated thereon.
