

State of Nevada }
 County of Nye } ss.

I, Ch. Leadell, being first duly sworn, depose and say that this map, consisting of sheets, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction between the 8th day of Feb. and the 10th day of Feb, 1951; that it truly and correctly represents the location and extent of the works to divert water from underground flow, in Nye County by pumps for domestic and irrigation purposes under application No. 13566. That the points of diversion, the location, size and grades of the diverting device, the location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under application No. 13566 is 120 acres; together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.

Ch. Leadell
 State Water Right Surveyor

Subscribed and sworn to before me this 14th day of Feb, 1951.
