1940 SURVEY BRASS CAPS
CORNERS FOUND

STATE OF NEVADA }
County of White Pine } 58

I, J.V. Caselli, being first duly sworn, depose and say that this map, consisting of 1 sheet, inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me between the 27th day of February, and the 28th day of February, 1951; that it truly and correctly represents the location and extent of the proposed works used to divert water from *SPRING HILL*, in White Pine County, by *Katherine Aquilera*, for irrigation purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40 acre subdivision the areas proposed to be irrigated, are fully and correctly designated thereon.

John H. Caselli
State Water Right Surveyor

Subscribed and sworn to before me this 17th day of March, 1951

Nancy Miller
Notary Public in and for White Pine County, Nevada
