

To NW COR. SEC. 1 T13N, R50E, M.D.B. & M.

N 34° 55' W - 20,340 feet.

PROPOSED WORKS - One 2 ft. x 30 ft. trough, connected to spring with 30 ft. of 2 inch pipe.

NOTE: This spring is located in an unsurveyed Township, and correct position may be at slight variance with indicated position.

STATE OF NEVADA: } S.S.
COUNTY OF NYE.....

I, T.M. Cahill, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 13 day of April and the 16 day of April 1951, that it truly and correctly represents the location and extent of the proposed works used to divert water from South Spring in Nye County by Segura Bros. for stock watering purposes, that the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with the said works are fully and correctly designated hereon.

J. M. Cahill
STATE WATER RIGHT SURVEYOR

Subscribed and sworn to before me this 20 day of June 1951.
