

STATE OF NEVADA }
 COUNTY OF ELKO }^{SS}

I, W.H. Settlmeyer, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction on the 20 and 21 days of December, 1950, that it truly and correctly represents the location and extent of the proposed works used to divert water from a well in Eureka County, by the Eureka Livestock Company, a co-partnership, for stockwatering purposes. That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.

W.H. Settlmeyer
 State Water Right Surveyor
