State of Nevada SS  
County of Elko

I, W.H. Settelmeyer, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 26th day of June, 1952; that it truly and correctly represents the location and extent of the proposed works to divert water from an underground source in Eureka County, by Dan Filippini for stockwatering purposes. That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.

*W.H. Settelmeyer*  
State Water Right Surveyor

Subscribed and sworn to before me this 30th day of June, 1952

*Robert J. ...*  
Notary Public in and for Elko County, Nevada
