

STATE OF NEVADA } S.S.  
 COUNTY OF ESERALDA }

I, Harry H. Hughes, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 1st day of April and the 2nd day of April 1952; that it truly and correctly represents the location and extent of the proposed works used to divert water from Cosser spring in Esmeralda County, by Bozarth and Rudnick for stockwatering purposes. That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by or connected with the said works, are fully and correctly designated thereon.

*Harry H. Hughes*
