 I, Frank Walker, being first duly sworn, depose and say that this map has been drawn, correctly, to the designated scale from field notes of a survey made by me between the 1st day of July and the 3d day of August 1952; that it truly and correctly represents the location and extent of the works used to divert water from underground, in Lincoln County, by Harry H. Horlacher, for irrigation purposes. That the point of diversion, the approximate location and size of the diverting channel, the location and name of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40 acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

Frank Walker  
 State Water Right Surveyor

Subscribed and sworn to before me this 11 day of Aug. 1952.
