

STATE OF NEVADA | ss
 COUNTY OF HUMBOLDT

I, W.A. Wentz, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly prepared to the designated scale from field notes of a survey made by me between the 4th day of October and the 6th day of October, 1951; that it truly and correctly represents the proposed location and extent of the works used to divert water from underground, in Pershing County, by Fred Kerlee, for irrigation and domestic purposes. That the proposed point of diversion, the approximate location of the diverting channel, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the area proposed to be irrigated, are fully and correctly designated hereon.

W. A. Wentz
 State Water Right Surveyor

Subscribed and sworn to before me this 25th day of July, 1952
