COUNTY OF ESMERALDA SS.

I, Harry H. Hughes, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 8th day of Oct., 1952; that it truly and correctly represents the location and extent of the proposed works to divert water from Indian Springs in Esmeralda County, by Fowler Mining Corp., for mining, milling and domestic purposes. That the proposed point of diversion and return, the location of the mill, the approximate size and capacity of the diverting conduit, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated thereon.

Harry H. Hughes
