 I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on December 22, 1952; that it truly and correctly represents the location and extent of the proposed works used to divert water from the Rosaschi Drain, in Lyon County, by Romeo & Evelyn Rosaschi for irrigation purposes. That the proposed points of diversion, the approximate location of the diverting channels, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundry of all lands, showing by 40-acre subdivisions the areas to be irrigated, are fully and correctly designated thereon.
