I, J. A. Millar being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on April 17, 1954; that it truly and correctly represents the location and extent of the proposed works used to divert water from Upper Schoolhouse Canyon Creek Spring, in Douglas County, Nevada, by Henry M. King and Georgia W. King for irrigation and domestic purposes.

That the proposed point of diversion, the approximate location and size of the pipe line, the place and manner of use and the location and names of all other works which are connected with said works, are fully and correctly designated thereon.

J. A. Millar

State Water Right Surveyor

Subscribed and sworn to before me this 20th day of May, 1954.

E. Miller

Notary Public in and for Ormsby County, Nevada.
