I, J. V. Caselli, being first duly sworn, depose and say that this map, consisting of one sheet, inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me between the 25th day of June, and the 30th day of June 1955; that it truly and correctly represent the proposed location and extent of the works used to divert water from Underground Source, in Lincoln County, by HARRY HAUCK for irrigation purposes. That the point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40 acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.
