I, LAWRENCE G. CHAMBERS, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me between the 19th day of January and the 20th day of January, 1957, that it truly and correctly represents the location and extent of the works to be used to divert water from Underground Sources in Nye County by EMMA E. SCHWARTZ for Irrigation and Domestic purposes under application Nos. 15851 and 15852. That the point of diversion, the location of the diverting device, the location and extent of lands owned or controlled by the applicant upon which water applied for under application Nos. 15851 and 15852 are to be used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.
