I, WILLIAM A. REINKEN, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 18th day of December, 1954; that it truly and correctly represents the location and extent of the proposed works used to divert water from an underground source in Lyon County, by —S.T. CLARKE— for stockwatering purposes. That the proposed point of diversion, the approximate size and location of the diverting conduit, the place and manner of use, are fully and correctly designated thereon.
