

STATE OF NEVADA.
COUNTY OF CLARK. } ss.

I, L.M. Bobeau, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 24th day of January 1955; and that it truly and correctly represents the location and extent of the works used to divert water from an underground source in Clark County, by Henrietta Weller for quasi municipal and domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which are crossed by, or connected with the said works, are fully and correctly designated thereon.

L. M. Bobeau
