I, J. A. Millar, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 8th day of January 1957; that it truly and correctly represents the location of a drilled 6 inch well, 140 feet deep used to divert water from an underground source, in Douglas County, Nevada, by Alton M. Glimer (Assignee), for irrigation and domestic purposes. That the point of diversion and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

J. A. Millar

State Water Right Surveyor

Subscribed and sworn to before me this 10th day of January, 1957.

Notary Public in and for Ormsby County, Nevada.

Note:—Application No. 16364 was assigned on June 22, 1956, by Gerald F. Webster to Alton M. Glimer.
