I, Walter G. Reid, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 25th day of March, 1955; that it truly and correctly represents the location and extent of the proposed works used to divert water from underground, in Douglas County, by Topaz Lodge Non-profit Association, for quasi-municipal & domestic purposes. That the proposed point of diversion, the location of the subdivision, the approximate size of the conduit, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.
