I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on March 31, 1955; that it correctly and truly represents the works used to divert water from the Compston-Mencarini-Smith Drain, in Lyon County, by Robert J. & Lois C. Compston, for irrigation purposes. That the proposed point of diversion, the approximate location of the diverting channel, all reservoirs or basins, the location and names of all works which will cross or connect said works, and the boundary of all lands, showing by 40-acre subdivisions the areas to be irrigated are fully and correctly designated thereon.

Walter G. Reid
State Water Right Surveyor

Subscribed and sworn to before me this 21st day of May, 1955.
