TIES TO THE SOUTHEAST CORNER SECTION 28, T. 15 N., R. 25 E. SPIKE IN HIGHWAY AT INTERSECTION OF COUNTY ROAD

STATE OF NEVADA }
County of ORMSBY } ss

I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on May 4th, 1955; that it truly and correctly represents the works to be used to divert water from underground sources, in Lyon County, by Lars Larson, for irrigation and domestic purposes. That the proposed points of diversion, the approximate location of the diverting channels, all reservoirs or basins, the location and names of all other works which will cross or connect with said works, and the boundary of all lands, showing by 40-acre subdivisions the areas to be irrigated are fully and correctly designated thereon.

Walter G. Reid
State Water Rights Surveyor
