 COUNTY OF ORMSBY } S.S.

I, J.A. Millar, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on October 3, 1955; that it truly and correctly represents the proposed location of the well to be used to divert water from an Underground Source in Lyon County, Nevada, by C. B. Burkham for irrigation and domestic purposes. That the proposed point of diversion, the location and size of the conveyer ditch, and the boundary of all lands, showing by 40-acre subdivisions, the area proposed to be irrigated, are fully and correctly designated thereon.

 State Water Right Surveyor.
 Subscribed and sworn to this 28th day of October, 1955.
