 I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on June 22, 1955; that it truly and correctly represents the proposed location and extent of the works used to divert water from a drain ditch, in Lyon County, by L. Masini & Lawrence Masini, Jr., for irrigation purposes. That the proposed point of diversion, the approximate location of the diverting channels, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40 acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon

Walter G. Reid
 State Water Right Surveyor

Subscribed and sworn to before me this 5th day of July, 1955.
