

STATE OF NEVADA } SS.  
 COUNTY OF ORMSBY }  
 I, J.A. Millar, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 8th day of November, 1955; that it truly and correctly represents the location and extent of the works to be used to divert water from an Underground Source, in Douglas County, Nevada, by Bernard Aldax and Andre Aldax, for irrigation and domestic purposes. That the proposed point of diversion or the location of the proposed well, the location and name of the conveyer ditch or lateral, and the boundary of all lands, showing by 40-acre subdivisions the area to be irrigated, are fully and correctly designated thereon.

J. A. Millar  
 State Water Right Surveyor  
 Subscribed and sworn to before me this 16th day of November, 1955.  
 Notary Public in and for Ormsby County, Nevada.
