

State of Nevada :--ss  
 County of Ormsby

I, J. A. Millar, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on December 15, 1956; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source, in Douglas County, Nevada, by Ralph A. Dudley, for irrigation and domestic purposes.

That the proposed point of diversion or the location of the pump and of the proposed well, and the boundary of all the lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.
