

SCALE 1" = 600'

STATE OF NEVADA
COUNTY OF CLARK

I, L.M. Bobeau, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me and under my supervision and direction on the 26th September 1955, and that it truly and correctly represents the location and extent of the works used to divert water from an underground source in Clark County by Joseph Blasco for gravel washing plant. That the proposed point of diversion and return, the location of the plant, the approximate size and capacity of the diverting channel, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated hereon.

L. M. Bobeau
L. M. Bobeau, State Water Rights Surveyor

Subscribed and sworn to me this 11th day of October 1955.

Lillian O. Bobeau
Notary Public in and for Clark Co. Nevada.
My Commission Expires May 10, 1959
