STATE OF NEVADA S.S.  
COUNTY OF CLARK

I, CHARLES L. KNAUS, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction between the 22<sup>nd</sup> day of November, 1955, and the 16<sup>th</sup> day of January, 1956; that it truly and correctly represents the location and extent of the proposed works used to divert water from the Las Vegas Valley Basin in Clark County by the City of Las Vegas for Quasi-municipal (Sewage Disposal Plant and Prison Farm) purposes. That the proposed point of diversion and return, the approximate location of the sewage disposal plant and prison farm, the approximate size and capacity of the diverting conduit, and the location and names of the diverting conduit, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated here on.
