

STATE OF NEVADA }
County of Lincoln } ss.

I, Charles E. Thompson, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 10th day of December and the 15th day of December, 1955; that it truly and correctly represents the proposed location and extent of works used to divert water from an underground source, in Lincoln County, Frank E. Wadsworth, for irrigation purposes. That the proposed point of diversion, the approximate location and size of diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

Charles E. Thompson
State Water Right Surveyor.

Subscribed and sworn to before me this 31 day of January, 1956.

Bryce Calhoun
Notary Public in and for Lincoln County, Nevada.
My commission expires the 20 day of October, 1956.
