

STATE of NEVADA S.S.
 COUNTY of ORMSBY S.S.

I, E. P. Osgood, being first duly sworn, depose and say, that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 26th day of May 1956; that it truly and correctly represents the location and extent of the works used to divert water from underground sources by well in Washoe County, Nevada, by F.R. Smith for processing gravel aggregates.

That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streames, which are crossed by or connected with the said works, are fully and correctly designated.

E. P. Osgood
 State Water Right Surveyor.

Subscribed and sworn to before me this 2th day of July 1956.
