County of Washoe }

I, Robert C. Poolman, being first duly sworn, depose and say that this map has been drawn to the designated scale from field notes of a survey made at my direction and under the supervision of George C. Monahan, R.E. 631, Clark County Engineer, on or about May 15, 1956; that it truly and correctly represent the location and extent of the works used to divert water from an underground source (Las Vegas Artesian Basin) in Clark County by The University of Nevada - Southern Regional Division for Quasi - Municipal (University) and Domestic purposes. That the proposed point diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works, which will cross or connect with the proposed works, and the boundary of all lands, showing by 40 acre subdivisions the areas proposed to be benefitted are fully and correctly designated thereon.
