

State of Nevada ss.
 County of Ormsby

I, Robert F. Guinn, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made under my supervision between the 21st. day of July and the 19th. day of August, 1956, that it truly and correctly represents the proposed location and extent of the works to be used to change place and manner of use of water from Anderson Spring No. 1 from stockwatering to quasi-municipal purposes under Application No. 17026 in Washoe County by A.E. Anderson. That the location of the point of diversion, the approximate location and extent of the proposed diverting devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under Application No. 17026 is to be used, and the location and names of all other works or streams crossed by or connected with said works are fully and correctly designated thereon.

Robert F. Guinn
 State Water Right Surveyor

Subscribed and sworn to before me this 5th day of Sept., 1956.

Alan S. Stevens
 Notary Public in and for Ormsby County, Nevada.
 My commission expires Feb. 15, 1957.

Note: Proposed 30,000 gal. storage tank and service pipes also to be used for water applied for under Application Nos. 16982, 16983, and 16984.
