

STATE OF NEVADA
COUNTY OF ORMSBY

I, J. A. Millar, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on November 20, 1956; that it truly and correctly represents the proposed location and extent of the works used to divert water from an Underground Source, in Douglas County, Nevada by Michial M. Riggs, for Irrigation and Domestic Purposes. That the proposed point of diversion, and the boundary of all lands, showing by 40-acre subdivisions the area to be irrigated are fully and correctly designated thereon.

J. A. Millar

State Water Right Surveyor.

Subscribed and sworn to before me this 20th day of November, 1956.
