 I, J. A. Millar, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on March 6, 1957; that it truly and correctly represents the location and extent of the proposed works used to divert water from An Underground Source, in Douglas County, Nevada, by Alvin Mathew May for irrigation and domestic purposes. That the proposed point diversion, the proposed works and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

J. A. Millar
 State Water Right Surveyor.

Subscribed and sworn to before me this 29th day of April, 1957.
