

NOTE:
Bearings are related to highway bearing
of the Warm Springs - Crystal Road.

State of Nevada
County of Ormsby SS.

I, W.T. Holcomb, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me between the 18th day of March and the 20th day of March, 1957, that it truly and correctly represents the location and extent of the works to be used to divert water from an underground source (drilled well) in Nye County by State of Nevada, Department of Highways for highway construction, highway maintenance, general domestic, and use of the traveling public purposes under application Number 17211. That the point of diversion, the location of the diverting device, the location and extent of lands owned or controlled by the applicant upon which water applied for under application No. 17211 is to be used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.

W.T. Holcomb
State Water Right Surveyor

Subscribed and sworn to before me this 25th day of March, 1957.

Stanley D. Lundberg
Notary Public in and for Ormsby County, Nevada.
My commission expires Oct. 4, 1958.
