I, W.A. Wentz, being first duly sworn, depose and say this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 9<sup>th</sup> day of July, 1957; that it truly and correctly represents the proposed location and extent of the works used to divert water from underground, in Humboldt County, by Myrtle E. That the proposed point of diversion, the approximate location and size of the diverting conduits, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands showing by legal subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.
